I Rachael Reid acknowledge and respect the Veterinary Surgeons Act 1966 and Exemption Order 2015 by never working upon an animal without gaining prior veterinary approval. As stated by the RCVS, "physiotherapy" is interpreted as including all kinds of manipulative therapy (Section 19.21)

Veterinary Form for Clinical Canine Massage Therapy

- I Rachael Reid, am a member of the Canine Massage Guild and I have trained for 2 Years on the Clinical Canine Massage Practitioner Programme externally accredited by LANTRA* via the Canine Massage Therapy Centre.
- My professional membership, training and credentials may be checked by visiting the online professional therapist register www.k9-massageguild.co.uk/therapistregister and <https://www.canineconditioningacademy.co.uk/classes-club-talks/#instructor>
- More information about me can be found on my own website www.kernowk9massage.co.uk or I welcome your phone call on 07473 929606
- The Canine Massage Guild began participating in the world's first clinical trials with Winchester University and Sparsholt University Centre in 2018. Please see the Canine Massage Guild website for further/latest information.
- Each year I commit to a minimum of 25 hours CPD as part of the Canine Massage Guild's strong code of ethics and conduct.
- I hold my own professional indemnity and public liability insurance which is audited annually by the Canine Massage Guild.
- I always abide by the Veterinary Surgeons Act 1966 and Exemptions Order 2015, by never working on an animal without veterinary consent. As stated by the RCVS, "Physiotherapy" is interpreted as including all kinds of manipulative therapy" (Section 19.21), thus including massage therapy. Manipulation under massage therapy is limited to soft tissue and testing a joint's range of motion. I do not manipulate joints like a chiropractor.
- I specialise in the use of Myofascial Release, Remedial Sports Massage, Deep Tissue Massage and Swedish Massage, as well as the Lenton Method™ of Myofascial Release. More details may be found on the Canine Massage Guild website. I am also trained in Manual Lymphatic Drainage.
- I ensure continuity of client care by providing a written report back to the surgery upon completion of a client's initial sessions.
- I comply with GDPR Compliance 2018 and the Data Protection Act 1998.
- Clinical Canine Massage Therapy is suitable for soft tissue injury rehabilitation and for the chronic pain management of orthopaedic conditions as well as pre and post-operative care. It is commonly used amongst sporting, performance and agility competitors too. If you would like an Integrated Veterinary Care Initiative educational pack on Clinical Canine Massage for your surgery please contact me, and I will be more than happy to send one for your perusal.
- I am also available for Lunch 'n' Learns or client presentation evenings to speak on Clinical Canine Massage Therapy.
